

CA-51300

Remotes

Compac Remote Lamp Heads

application

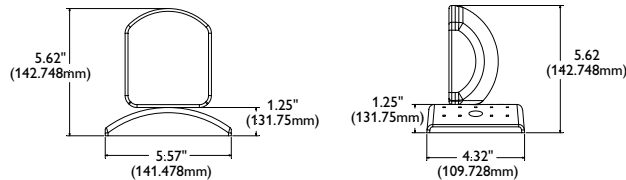

- These remotes are designed to provide an attractive option for installing remote lamp heads. Each was designed to coordinate with the various matching units and combos offered in the COMPAC line.
- Each remote comes standard with backplate that is designed to mount to a single ganged recessed wall or ceiling junction box.
- Available in white finish only.
- All remotes are furnished with the appropriate lamp(s).

construction

- Constructed of ABS impact resistant thermoplastic. Material is flame rated and UV stable.

dimensions
