

CATALOG NO. _____

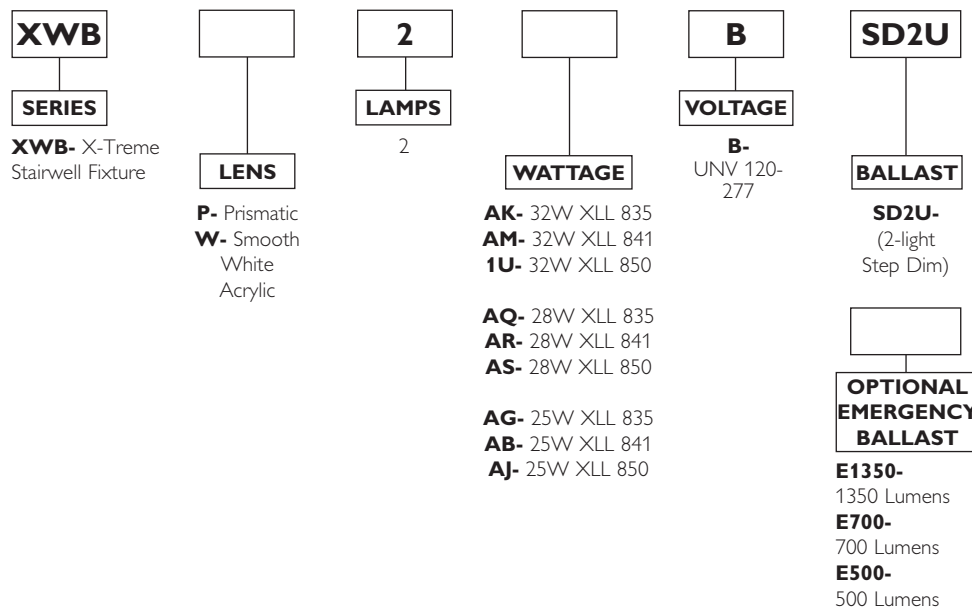

TYPE NO. _____ JOB NAME _____

XWB X-Treme Compact, Bi-Level, Ultrasonic Stairwell Fixture

ORDERING INFORMATION

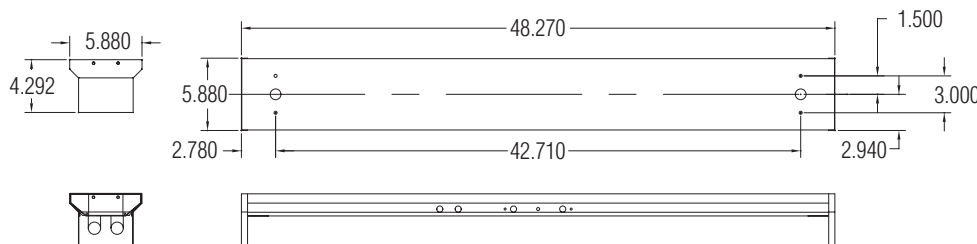

Catalog Number: Example: XWBP2AK-BSD2U

PRODUCT FEATURES

- Applications include stairwell and corridor installations
- The Philips Advance EssentialLine ballast switches between high and low output maximizing energy usage while protecting lamp life
- Equipped with two Philips XLL lamps rated at 60,000 hours for long life and low maintenance
- Ultrasonic sensor guards against inaccuracy common with PIR sensors (passive infra red)
- Uses 17% less energy in high mode and 69% less energy in low mode compared to conventional T8 lamps
- Sizes include 25W, 28W and 32W (48")
- Brake-formed aluminum reflector with clear acrylic prismatic or white smooth acrylic lens
- Heavy gauge brake-formed cold rolled steel housing and end caps with a durable white, highly reflective finish
- Mounting options include pendent mounted ceiling or attached directly to a wall
- Locking-style polycarbonate lampholders for positive retention
- Minimum operating temperature 50°F
- Listings – All fixtures are UL and CUL listed.
