# Fascia Forms

Page 1 of 2

500 Series

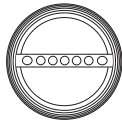

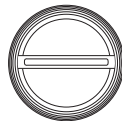

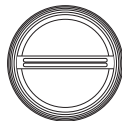

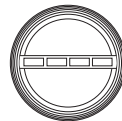

Philips Gardco Fascia Forms are wall mounted luminaires utilizing compact fluorescent and high intensity discharge lamps. Fascia Forms are graceful architectural accents in the daytime and serve as elegant markers at night. White glass or white acrylic lenses diffuse light to produce a soft luminous glow. These luminaires are suitable for outdoor applications and feature rugged diecast housings, silicone seals and gaskets, and polyester powdercoat finishes.

## SPECIFICATIONS

**GENERAL:** Philips Gardco Fascia Forms wall mounted, outdoor luminaires utilize compact fluorescent and high intensity discharge lamps. Housing and mounting plate are diecast aluminum. White glass and DR acrylic lenses diffuse light to produce a soft luminous glow.

**HOUSINGS:** Single-piece diecast aluminum housings feature integral trim rings. Housing is secured to mounting plate with (3) stainless steel allen head fasteners. Memory retentive gasket seals housing to mounting plate to exclude moisture, dust, insects, and pollutants.

**MOUNTING PLATE:** Single piece diecast aluminum mounting plate is mounted over recessed j-box (by others) in wall or canopy. All electrical components are factory mounted to plate.

**REFLECTOR:** Spun high reflectance white reflector increases luminaire efficiency and provides even and striation free luminance on the face of the diffuser.

**LENS:** White glass or DR acrylic diffusers are mechanically secured to housing. One-piece solid silicone gasket is used to thoroughly seal lens to housing.

**ELECTRICAL:** All HID luminaires utilize magnetic ballasts that are high power factor and designed for reliable lamp starting to -20°F. Pulse rated sockets are glazed porcelain with nickel plated screw shells.

All fluorescent luminaires utilize electronic ballasts that are high power factor and designed for reliable lamp starting to 0°F. Smart fluorescent ballasts accept 26W, 32W and 42W in all voltages from 120 to 277, 50/60HZ. 347V also available. Sockets are high temperature PBT with brass contacts.

**FINISH:** Each luminaire receives a fade and abrasion resistant electrostatically applied, thermally cured, (TGIC) polyester powdercoat finish.

**LABELS:** All luminaires bear UL or CUL (where applicable) Wet Location labels.

**WARRANTY:** Philips Gardco luminaires feature a 5 year limited warranty. See Warranty Information on [www.sitelighting.com](http://www.sitelighting.com) for complete details and exclusions. Polycarbonate lenses carry a 1 year warranty only.
