Specifications

CONSTRUCTION:

Cast aluminum construction. Cast aluminum finial attached to roof. 1 Door and 5 cage panels. Painted metal covers and two (2) piece painted metal body. Four (4) cast aluminum scrolls located 90° around cast aluminum square base.

FINISH:

Resilient TGIC thermoset polyester powdercoat paint is electrostatically applied to every fixture. Specially formulated for Philips Outdoor Lighting, it provides UV protection, and the highest temperature rating in the industry. In addition to the standard color choices shown, a spectrum of custom colors is available.
