

Wall Mounted ADA

Discus, Visor, Matrix™, Trio, Luna, Lumiquad, Quadro, Alabaster

Discus
Generous, efficient illumination for hallways and other circulation areas. Twist-lock acrylic diffuser.

Discus Optional Features

- **Emergency Lighting:** Built-in, battery powered. 425 lumens (2) 13 watt U ballast unit only. Add suffix “E” to catalog number.
- **Finish:** For matte white substitute MW for MS.

Opalite
Polycarbonate diffuser. Twist-lock fastening for easy maintenance. Aluminum housing.

Alabaster
Natural stone with variegated richness of texture.

Luna
Mouth-blown of pure white opal glass.

Lumironde/Lumiquad
Shatter-resistant Polycarbonate diffuser and housing. Fully gasketed and **suitable for wet locations**.

Visor
Bowed metal with light-spill tiers above and below. Molded acrylic liner fully encloses lamps.

Trio
Stepped louvers provide uplight and down light with visually intriguing lightplay.

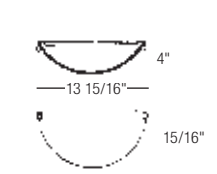

Matrix™
Perforated pattern in white, etched finish glass.

Wafer
Shallow bowed contour provides widespread uniform illumination. Acrylic diffuser.

Quadro
Fully enclosing acrylic diffuser in form of a gentle arc. Mount with axis vertical or horizontal.

All units UL listed suitable for damp locations. Emergency units are UL listed dry locations only.
