OM470T4CMHRADJ45

4" T4.5 CMH Adjustable Downlight

	,	O
CAT. NO:		

TYPE: PROJECT:

PRODUCT INFORMATION Applications

Recessed 45° adjustable downlight well suited for general or accent lighting in sloped ceiling applications. Applications include auditoriums, schools, churches, restaurants, hotels, offices and retail. Full horizontal rotation makes this fixture ideal for highlighting store displays, sculpture or vertical surfaces. Low brightness paracone matches other Omega reflectors for a unified appearance in the ceiling.

SPEC SHEET # RV4-2.4

RE\/ELATION

Specifications

- I. Housing 20 gauge steel housing with matte black powder coat finish. Accommodates ceilings up to I-3/8" thick.
- 2. **Ballast** Electronic high power factor, with < 15% THD. Includes internal ignitor, and thermal protection. Ballast requires a minimum starting temperature of 5°F.
- 3. **Installation** Housing features, pre-installed c-channels with vertical and horizontal adjustments. Ballast, junction box and c-channels are accessible from below ceiling. For 27" flat bar hanger pair, specify Q1031 accessory, ordered separately.
- 4. **Optics** 2-piece precision formed aluminum upper and lower reflector. Upper reflector is faceted and anodized for optimum performance. Lower reflector has proprietary Alzak finish for a soft appearance and excellent color. Standard flange finish is white paint. For optional polished flange matching interior reflector finish add "FF" suffix. A protective shatter guard is included for lamp containment.
- 5. **Aimming** Diecast aluminum gearing provides simple tilt adjustment. Full rotation of 362° prevents dead spots in aimming. Positive tilt and rotation locking for stability during relamping and over the life of the product.
- 6. Socket Porcelain G8.5 bi-pin base.
- 7. **Top Relamping** Lamp and ballast are serviceable from above or below the ceiling.
- 8. Lamp Lamps included.
- 9. **U.L Listed** For use in damp locations and approved for through branch circuit wiring I.B.E.W. union made.

Canadian Specifications may vary from these shown, consult Canadian Division.
