capiro plus™
LYTEMODE™ NETWORK POWER SUPPLY

Project:

Location/Type:

Description

The ILSLMPSC Lytemode Network Power Supply has been designed to provide clean, regulated power for Lytemode Master Stations and Remotes, located on the Lytemode Architectural Controls network. The ILSLMPSC provides 30 watts of power, and conveniently installs directly into the Capiro Plus Dimmer Rack, under the Rack Control Module.

The ILSLMPSC features a multi-colored status LED which provides visual feedback of the Lytemode network power status. The LED indicator can be used to alert the user of a power supply failure.

Multiple Lytemode network power supplies may be connected to a Lytemode network to support large numbers of Lytemode Control Stations, Touchscreens, or long cable lengths.

Features

- Convenient placement inside a Capiro Plus Dimmer Rack
- Provides 30 Watts to power Lytemode Master Stations and Remotes
- Regulated voltage output
- Hot-swap feature enables replacement while dimmer rack is energized
- Multi-colored Status LED facilitates troubleshooting

Specifications

The ILSLMPSC Network Power Supply Module shall incorporate a regulated 24V DC power supply, providing 1.25A of current to power Lytemode Control Stations connected to the Lytemode network. The power supply shall be capable of connecting to a Lytemode network in tandem with other Lytemode network power supplies, to supply large amounts of current or for system redundancy.

The ILSLMPSC shall mount into a Capiro Plus Dimmer Rack, directly below the Rack Configuration Module, and shall be hot-swappable for field replacement without removing power to the dimmer rack.

The power supply shall feature a multi-colored LED to provide visual feedback of system status, and to facilitate troubleshooting.

The ILSLMPSC shall be UL and cUL Listed, and shall include a three-year manufacturers warranty.

Dimensions

12.3125" W x 6.125" D x 1.5" H (excluding handle)

Weight .08 lbs

THREE YEAR LIMITED WARRANTY

The Philips Controls product, when properly installed and under normal conditions of use (without overload, abuse or alteration), is warranted to you, the original user, for a period of three years from the date of original retail purchase, to be free from defects in materials and workmanship. If during the warranty period you believe the purchased product or any part thereof has such a defect, you must return the product (or part) at your cost during such period, with proof of purchase (or if installed by a third-party a written explanation of installation transaction with proof of date), to Philips Controls, 2828 Trade Center Dr. Ste. 130B, Carrollton, TX 75007, for repair or replacement (or to an authorized Philips Controls supplier which agrees in advance to handle the return and replacement by factory authorization). If the product or part is found by Philips Controls to have been defective in material or workmanship it will be repaired or replaced (as deemed necessary by Philips Controls), and the replacement will be returned to you free of charge. The original user is solely responsible for any costs associated with removal and re-installation of the product and shipping to Philips Controls or its authorized supplier.

PHILIPS CONTROLS LIMITS THE DURATION OF THE IMPLIED WARRANTY OF MERCHANTABILITY WITH RESPECT TO THE PRODUCT TO THE LIMITED WARRANTY PERIOD SET FORTH ABOVE, AND OTHERWISE DISCLAIMS ALL IMPLIED WARRANTIES WITH RESPECT TO THE PRODUCT AND ITS PARTS. Some states disallow certain limitations on implied warranties so you should consult your state law if you have a questions regarding this limitation and disclaimer. Philips Controls disclaims any and all liability for incidental, consequential, special or indirect damage arising out of any claimed breach of warranty or otherwise. However, some states do not allow exclusion or limitation of such damages, so this disclaimer may not apply to you.

The remedy provided in the Limited Warranty for defective products is the user's sole and exclusive remedy, subject to your state law. Further, this Warranty gives the user specific legal rights, and the user may also have other rights which may vary from state to state.

If you believe warranty claim is warranted, you may contact your nearest authorized Philips Controls supplier. If one does not exist in your area, please contact Philips Controls Customer Service at the above address (or at 1-800-526-2731), or please visit us at www.philipslightingcontrols.com.
