# Highlights

## Warm white accent light

This light uses the latest energy-saver lamp technology by Philips to efficiently provide an accent of warm, white natural light.

## Decorative light

Include wall lights in your lighting plan and enjoy accents of light that can soften shadows, highlight décor, or create intimate ambiances.

## Energy Saving

This Philips light conserves energy when compared to traditional light sources, helping you to save money on your electricity bills.

## Express your style

Elegant forms and premium materials make it easy for you to let Philips lamps add a personal touch to your décor.
