- Height minimum: 7.0 inch
- Height maximum: 79 inch
- Length: 4.0 inch
- Width: 4.0 inch

## Technical specifications

- Mains power: 120 V, 60 Hz
- Number of bulbs: 1
- Wattage bulb included: 4.8 W

- Fixture dimmable
- LED
- IP code: dry
- Class of protection: I - earthed

## Service

- Warranty: 1 year(s)

## Packaging dimensions & weight

- Height: 12.2 inch
- Length: 12.2 inch
- Depth: 12.2 inch

## Miscellaneous

- Especially designed for: Living- & Bedroom, Kitchen
- Style: Contemporary
- Type: Suspension light

# Highlights

## Dry

UL Listed for Dry locations

## Modern style

The Modern style encapsulates the art of understatement. Simplicity and functionality are key, designs are often stark and minimal. With fewer elements to distract your eyes, modern design quality is reflected by the craftsmanship, intrinsic beauty, and even technology found in the materials used. The spirit behind Modern Design is to challenge the norm, to push the creative boundaries.

## Satin Nickel

## Indoor

When decorating your home with light, consider if the area requires general lighting, accent lighting, task lighting, or perhaps all three, to complete the necessary layers of light for comfortable ambience.

## Saves up to 80% energy

This lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

## Extremely long operating life

A light source you can trust. Philips LED lights offer an extremely long-life of at least 20.000 hours (which equals 20 years on basis of an average use of 3 hours / day with an amount of at least of 13.000 on/off switching cycles). With the Philips LED lights you won't have to worry about maintenance or lamp replacement while having the perfect light ambience in your home.
