- Height minimum: 14.1 inch
- Height maximum: 118 inch
- Length: 1.9 inch
- Width: 1.9 inch
- Net weight: 1.874 lb

Technical specifications

- Mains power: 120 V, 60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 1
- Wattage bulb included: 5 W
- Light color: warm white

- Lamp lifetime up to: 20,000 hrs
- Beam angle: 55°
- Fixture dimmable: No
- LED
- IP code: dry
- Light source equivalent to traditional bulb of: 21 W

Service

- Warranty: 3 year(s)

Packaging dimensions & weight

- Height: 13.4 inch
- Length: 6.9 inch
- Depth: 3.1 inch
- Weight: 2.447 lb

Miscellaneous

- Especially designed for: Living- & Bedroom, Kitchen
- Style: Contemporary
- Type: Suspension light

Highlights

Extremely long operating life

A light source you can trust. Philips LED lights offer an extremely long-life of at least 20.000 hours (which equals 20 years on basis of an average use of 3 hours / day with an amount of at least of 13.000 on/off switching cycles). With the Philips LED lights you won't have to worry about maintenance or lamp replacement while having the perfect light ambience in your home.

High Power LED

The LED module of this lamp is a uniquely developed solution by Philips combining 3 LEDs in a synthetic and aluminium housing. This technique enables an optimal light output and a 100% uniform light color.

Adjustable height

This Philips light is delivered with long cables to offer you a maximum flexibility during installation. Choose the perfect height matching your needs.

Warm white light effect

Light up your home with warm white light effects thanks to the latest LED innovation. Philips introduces the latest generation of warm white light high power LEDs, reaching a color temperature of 2700 Kelvin. This innovation brings the Philips lighting fixtures to the next level, allowing you to combine elegance and ambience creation with light and energy efficiency.
