Highlights

Dimmable

This fixture is compatible with a low-voltage electronic dimmer.

Decorative light

Include wall lights in your lighting plan and enjoy accents of light that can soften shadows, highlight décor, or create intimate ambiances.

Enjoy warm white light

Enhance your home with warm white light. Philips LED lights provide soft, comfortable light with a color temperature similar to the familiar light of an incandescent. Enjoy a cozy ambience and energy efficiency with Philips LED lights.

Exceptionally long life

This lamp features Philips LED lights, which offer an average estimated life of 20 years.* With Philips LED light, you can enjoy the ambience of warm, comfortable light without the worry of frequent maintenance or bulb replacement.

Saves up to 80% energy

This Philips light uses energy efficient LEDs and offers significant savings on electricity bills when compared to incandescent light sources.
