Enjoy warm white light

Enhance your home with warm white light. Philips LED lights provide soft, comfortable light with a color temperature similar to the familiar light of an incandescent. Enjoy a cozy ambience and energy efficiency with Philips LED lights.

Exceptionally long life

This lamp features Philips LED lights, which offer an average estimated life of 20 years.* With Philips LED light, you can enjoy the ambience of warm, comfortable light without the worry of frequent maintenance or bulb replacement.

Saves up to 80% energy

This Philips light uses energy efficient LEDs and offers significant savings on electricity bills when compared to incandescent light sources.

Focal light

Not only can pendant lights create a dramatic accent, they can also add light to task areas, such as a dining table, kitchen island, or reading chair.
