- Type: Suspension light

Highlights

Dry

UL Listed for Dry locations

Modern style

The Modern style encapsulates the art of understatement. Simplicity and functionality are key, designs are often stark and minimal. With fewer elements to distract your eyes, modern design quality is reflected by the craftsmanship, intrinsic beauty, and even technology found in the materials used. The spirit behind Modern Design is to challenge the norm, to push the creative boundaries.

Standard incan lamp

This fixture will accept bulbs in a variety of shapes, sizes, and wattages, including high-efficiency screw-in bulbs such as the Philips LED, EcoVantage, and Twister.

Indoor

When decorating your home with light, consider if the area requires general lighting, accent lighting, task lighting, or perhaps all three, to complete the necessary layers of light for comfortable ambience.
